

A lasting memorial has been given to  
**Spirit of Hope Church**

in memory of

**Edith Richards Peck**

**June 21, 1925 - February 26, 2013**

*“Ambassador for Golden Valley United Methodist Church”  
1961 - 1983*

Edith Peck was the beloved secretary at Golden Valley United Methodist Church for over twenty years (1961 - 1983). Always competent and efficient, she also was the “public relations person,” the friendly voice on the telephone, or the person people often came specifically to see. Children knew she was sure to have a candy treat for them in her desk.

Edith was more than the secretary; she was a parish caller at one time and served on the membership committee. During her long service she provided needed continuity and stability as changes in ministerial leadership occurred.
