

A lasting memorial has been given to  
**Spirit of Hope Church**  
In memory of  
**Marian Robert**

February 23, 1924 - July 7, 2010

*"The most important things in Marian's life were her family,  
her friends and her belief and trust in God"*

Marian grew up in Duluth, Minnesota, and later moved to Minneapolis in 1948 after she married Lawrence Robert. They were married for 52 years.

She raised five children and later had seven grandchildren and four great grandchildren. Marian's time with her family was a focal point for her entire life. Her support and encouragement never stopped.

Marian was a long-time member of Edgewater Methodist Church, later called Edgewater Emmanuel United Methodist Church, actively involved in the activities there. She volunteered as a Pink Lady at Methodist Hospital for many years and later in life stayed active at Covenant Village. She loved gardening, golfing, playing

cards, puzzles, and gospel music, and she cherished the love of family and friends. She started attending Spirit of Hope Church in 2001 and could be seen welcoming people on Sunday morning as a greeter. She enjoyed the music, the caring people, and the message of God. She would call her family each Sunday, sharing with them the joy she had found in the beautiful music and service as it prepared her for the week ahead.

Marian was a woman of unwavering faith, embracing both the joys and challenges of life with grace and optimism. We will miss her love, her sense of humor, her welcoming nature, and her kind heart.
