As Christians we affirm

1. That following the path and teachings of Jesus can lead to an awareness and experience of the Sacred and the Oneness and Unity of all of life
2. That the teachings of Jesus provide but one of many ways to experience the Sacredness and Oneness of life, and that we can draw from diverse sources of wisdom on our spiritual journey.
3. That we seek a community that is inclusive of ALL people, including but not limited to: Conventional Christians and questioning skeptics, believers and agnostics, women and men, those of all sexual orientations and gender identities, those of all classes' abilities
4. That we know that the way we behave towards one another is the fullest expression of what we believe
5. That we find grace in the search for understanding and believe there is more value in questioning than in absolutes
6. That we strive for peace and justice among all people.
7. That we strive to protect and restore the integrity of the Earth
8. That we commit to a path of life-long learning, compassion, and selfless love.
